

MEETING ENGAGEMENT

Your orders are brutally simple - locate and engage the enemy forces, and inflict maximum damage.

SET-UP

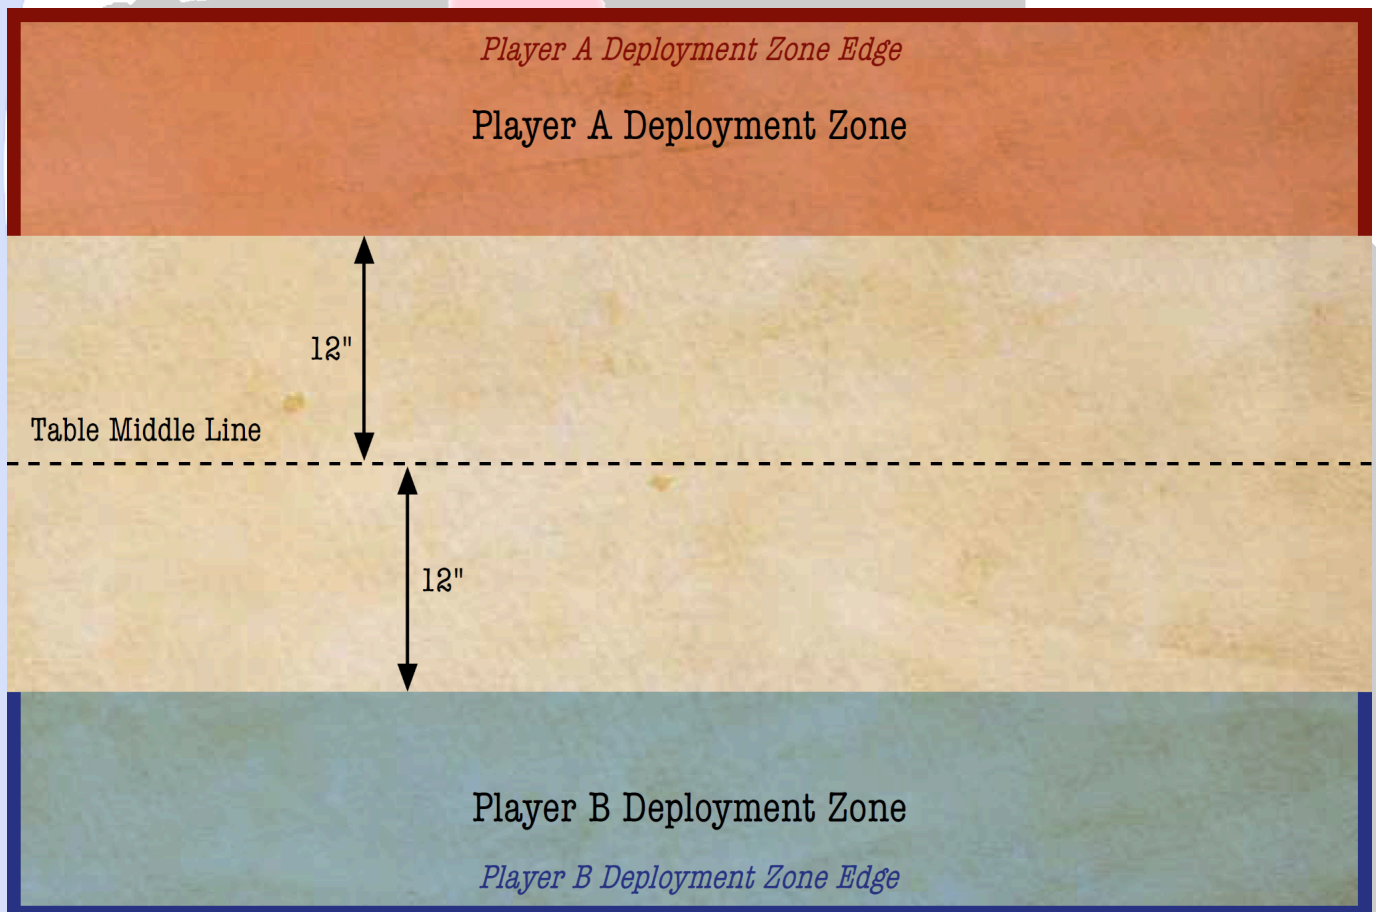

Both players roll a die, the highest scorer chooses a long table edge for their DZE and declares which of their units (if any) are embarked on transports, which units are being left in reserve - this can be up to half of the units in their army, rounding down, and which units are outflanking. The other player then does the same, with the exception of picking a DZ.

No units are set up on the table at the start of the game. Any units not left in reserve form the player's first wave.

Outflanking is allowed.

- **Units in reserve can enter from any point on the controlling player's DZE from turn 2 onwards.**
- **Infiltrators can be set up anywhere on the table outside of the opponent's DZ & 12" from any enemy unit.**

BATTLEMAP

OBJECTIVE

The objective is simple - both sides must attempt to destroy the other whilst preserving their own forces.

BATTLE COMMENCES

During Turn 1 both players must bring their first wave onto the table. These units can enter the table from any point on the player's DZE, and must be given either a Run or Advance order. Note that no order test is required to move units onto the table as part of the first wave and that troops are not allowed to make an assault when they enter the table.

Units that require an order test to activate even when unpinned, such as shirkers, still require a test to enter the table. If this is failed, they will enter reserves. One man turret vehicles can attempt to enter with an advance with an order test, and if they fail their test, they will also go into reserves.

GAME DURATION

Keep a count of how many turns have elapsed as the game is played. At the end of turn 6, roll a die. On a result of 1, 2 or 3 the game ends, on a roll of 4, 5 or 6 play one further turn.

SCORING

Players score 1 VP for every enemy unit destroyed.

VICTORY CONDITIONS

Win/Draw/Loss		Major/Minors	
2+ VP more than opponent	Win	3+ VP more than opponent	Major Victory
All other results	Draw	1+ VP more than opponent	Minor Victory
		All other results	Draw

SECONDARY OBJECTIVE

If secondaries are in use:

At the end of the game one side has captured the secondary objective if at least one of their infantry or artillery units (not aboard a transport) is within 3" of the objective, and there is no enemy unit of any type (with the exception of medics, chaplains and empty transports) within 3" of it.
